PINK ROAMER—The single flowers, which are produced in close heads, are nearly two inches in diameter, rich pink, with almost a white center, which lightens up the orange-red stamens.

SOUTH ORANGE PERFECTION—(Manda.) This is a gem, having multitudes of the most perfectly formed double flowers about one and a half inches in diameter, soft blush-pink at the tips, changing to white.

MANDA'S TRIUMPH—This grand Rose is of free growth; double pure white flowers, beautifully imbricated and well formed.

ROSA WICHURAIANA—This hardy and lasting Rose creeps over the ground like Ivy. Pure white, single, with yellow center, and has a strong Wild Rose fragrance.

UNIVERSAL FAVORITE—This is the most vigorous plant of the set. The double flowers are over two inches in diameter, and a beautiful rose color.
